

28th Annual Dinner and Auction

Saturday, March 24, 2018

Dear Friend of Visitation Catholic STEM Academy:

Visitation Catholic STEM Academy has been a vital part of Tacoma's community for over 90 years. The diverse students at Visitation are our future scholars, our engineers, scientists, mathematicians, artists, teachers and our leaders of tomorrow. We are asking for your support. Together we can give these students the gift of an excellent education and help them reach their goals.

On **March 24th** we will hold our twenty-eighth annual auction. The theme of our auction this year is *Passport to Paris!* With your generosity we are striving to reach our goal of \$100,000. In 2017, your support raised over \$50,000 for the general operating budget. These general funds help increase our financial aid and enrich programs such as physical education, music and sports.

Enclosed are two forms. One is our sponsorship form and the other is our donation form. We would like to receive your support in one of two ways:

1. Sponsorship: Allows you to buy space in our Auction catalog among other opportunities. Please see the attached document regarding sponsorship opportunities.
2. Donation: Allows you to donate a particular item that we can then auction at the Gala Night.

Your sponsorship or donation is **tax-deductible**. Our tax-id number is listed on the forms for your own records. Please complete the enclosed sponsorship and/or donation form and return it to:

All donations must be made to Visitation by March 1, 2018.

Thank you for supporting the students of Visitation Catholic STEM Academy.

Sincerely,

Melissa Missall
