

2018- 2019 SCHOOL YEAR COMMITMENT FORM

The strength of Catholic education centers on the partnership between the teachers, students, parents and community. The Commitment Hours Program is a way to encourage and recognize the gifts of Time and Talent given by our families in this partnership. These gifts build up our community in significant ways. In the spirit of cooperation and collaboration, families are expected to provide at least **30 hours** of service to the school and parish during the course of the school year. Any hours not completed will be charged a \$25 per hour. Of these 30 hours, 5 hours must be auction related or you will be billed \$50 per hour for incomplete hours. **(Note: A background check is required for every volunteer.)**
